To participate

Use the chat box to
communicate with other
attendees

Use the question box to send
a question directly to CIHS

Agenda

- How to manage the grant budget as enrollment ramps up
- State support needs for integration and sustainability

Questions to Consider: Working with States on Integration

- How is your organization working with state agencies to support behavioral health and primary care integration?
- What state initiatives are needed to support integration
- What state level partners are you working with to support integration?
